### ***What to expect on your first visit***

You will be scheduled to arrive 30 minutes early for your first appointment to allow time for registration and to establish past medical history. When you arrive in the Therapy Services department, you will be greeted by our receptionist. He or she will ask you to fill-out a few forms and then meet with our registration representative if necessary. Please bring with you your Driver's License, insurance verification information, the referral order from your physician (if one was given to you) and a list of your current medications. Please allow approximately 1.5 hours for this initial appointment.

For occupational & physical therapy referrals please wear loose fitting clothing. If your injury involves a knee, ankle or foot, please wear or bring shorts to allow an appropriate examination. An evaluation will be completed and a plan of care will be created to meet your specific needs and goals to achieve your maximum level of function.

At subsequent appointments, you will simply sign your name on the patient intake form and the receptionist will notify your therapist that you have arrived.
